Polish companies conquer Food, Retail & Hospitality Expo Ireland 2018

5th September | City West, Dublin

The purpose of the Food, Retail and Hospitality Ireland has a singular focus — bring together retailers, foodservice companies, hospitality groups, regulatory groups and key suppliers of equipment, technology, food and services to Ireland's commercial kitchens and food retailers, in order to facilitate sharing of knowledge and best practise as well as offering an unrivalled opportunity to connect key buyers from the food retailing, foodservice and hospitality sector with key exhibitors supplying into these sectors.

This year the group of prominent exhibitors will be joined by three Poland's leading food and drink manufacturers:

GRYCAN - manufacturer of ice cream and owner of over 150 ice cream and coffee parlours,

HORTEX - manufacturer of juices, fruit nectares and drinks as well as frozen fruit and vegetables,

KABO - manufacturer of meat products such as smoked meat, dry sausages and pates.

All Irish food buyers are strongly encouraged to visit the companies, learn about their offers and taste their delicious products.
