Interesting 2019 fairs, summits and  
other events in Poland

2019-01-21 13:11:39

Poland is known not only for its rapidly growing economy but also for some of the very best European fairs and conferences. In this short summary you will learn more how to benefit from the events that will take place in 2019.

Below you will find a quick overview of most interesting events that will take place across Polish most important fair and conference centres.

You are always invited to participate in those events and Zagreb Office will be happy to assist you in any matter regarding your visit in Poland and doing business with Polish enterprises.
