2020-01-15 00:08:44

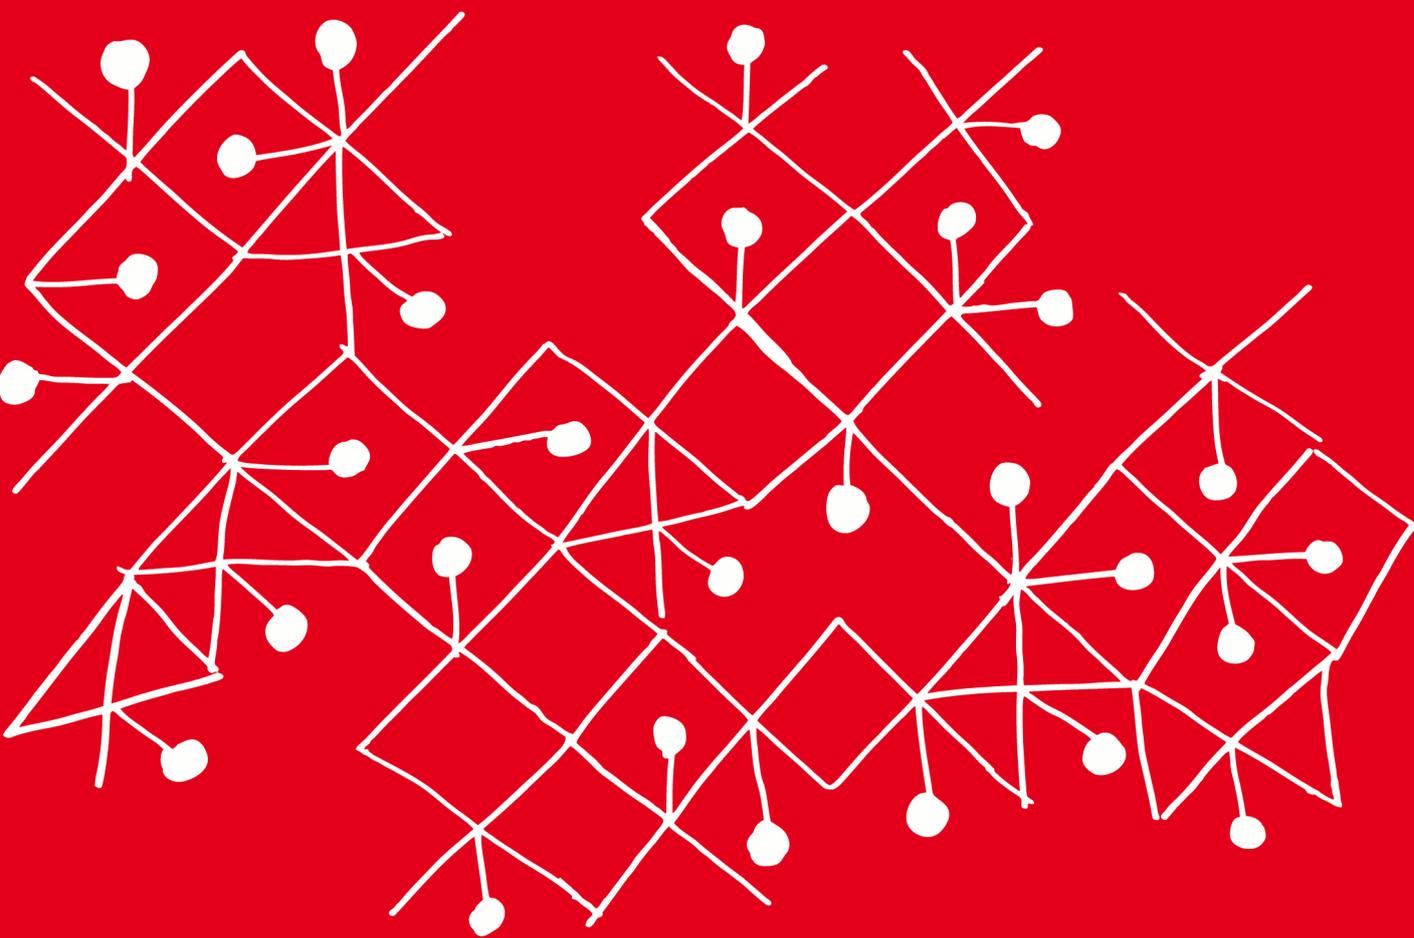

On December 23, 2019, an agreement was signed at the Consulate General of the Republic of Poland in Toronto, for the purchase of Polish dairy production machinery by Canadian company, M-C Dairy. The contract worth 1.7 million CAD, was signed in the presence of Canadian Minister of Small Business, Export Promotion and International Trade, Ms. Mary Ng

2 years of negotiations and the favourable conditions created by the CETA agreement in the form of tariff elimination and labour mobility, gave way to the signing of an agreement between Infis and M-C Dairy. The installation and completion date of entire project is expected by 2022, with Polish experts on the ground to install, train and service the machinery.

The mission of [INFIS Company](#) is to provide customers with a wide range of the latest equipment solutions in the food processing sector, and ensure the highest level of safety requirements and quality. The company was founded in Olsztyn in 2014 and has a production plant with a total area of 13,000 sq ft. equipped with the latest generation equipment, such as laser cutting for sheet metal, machining centers and a specialized technological line for the production of all types of tanks, with a capacity of up to 500,000 liters.

[M-C Dairy Co Ltd](#) is a company from Toronto producing high quality dairy products such as cheese, cream, butter, kefir, yogurt and other products made of 100% Canadian milk. The company continues to use old traditional Polish and Ukrainian recipes in dairy products and is very popular in Ontario. M-C Dairy products are available in both local grocery stores, and the biggest grocery and supermarket chains in Canada including: Costco, Loblaws, Metro Food Basics, Sobeys, No Frills, FreshCo, Highland Farms, Yummy Market and Starsky Fine Foods.
