The fourth edition of Warsaw International Health Care Exhibition - Hospital (WIHE Hospital) will be held in Warsaw, Poland on October 4-6, 2016. WIHE Hospital aims to present the latest achievements of medicine and high medical technologies.

WIHE Hospital aims to present the latest achievements of medicine and high medical technologies.

The exhibition spans through variety of categories ranging from medical equipment of diverse specialties, IT solutions in medicine and telemedicine through medical furniture and disposables to disinfection and sterilization.

We are pleased to invite you for numerous accompanying events: conferences, seminars, workshops dedicated to anesthesiology, radiology, medical entities management, European funds as well as courses for nurses and midwives.

In 2015 In October, third Warsaw International Healthcare Exhibition - WIHE took place. It was the biggest and the most effective health care event in Mazovian voivodship. Last edition hosted exhibitors from 10 countries, among others, Germany, Turkey, Pakistan, Hungary and Italy and gathered more than 2000 professional visitors. The show was attended by special guests, numerous professors from Medical Universities of Warsaw and Lodz as well as healthcare professionals - representatives of French Society of Radiation Therapy and Economic Chamber Polish Medicine. Not only is WIHE an exhibition. The show is yearly accompanied by a series of conferences, workshops, seminars and business meetings.
