We wish to invite you to visit the largest and the most important fair of the security industry in Poland - SECUREX, which will be held on the premises of Poznań International Fair from 25-28 April 2016.

SECUREX 2016 is the greatest security industry fair in Poland and Central Europe.

We wish to invite you to visit the largest and the most important fair of the security industry in Poland - SECUREX, which will be held on the premises of Poznań International Fair from 25-28 April 2016.

Simultaneously, SAWO International Fair of Work Protection, Fire-Fighting and Rescue Equipment, INSTALACJE International Trade Fair of Installations and Equipment, TCS System Heating Trade Fair will take place alongside Securex International Security Exhibition.

Located in the communication heart of Europe, Securex International Fair is focused around a few parallel and intertwining events connected with the security industry. It is Poland's only event of that kind and one of the most important ones in Europe. It gives an opportunity to present a complete offer regarding both technical novelties as well as a modern thought behind products and services in the field of protection of property, information, alarm systems, visual monitoring, as well as security. Since SECUREX is also a place where innovative solutions and technological novelties are presented, the opportunity to find out the latest products on the market is the main reason why professionals consider SECUREX a must-be-there. Industry professionals are invited to visit the exposition. The fair is accompanied by prestigious conferences, workshops and live shows.

The 2014 edition was held under the honorary patronage of the Minister of Economy, the General Inspector of Personal Data Protection, the Minister of Infrastructure and Development, and the Police Headquarters. It managed to gather nearly 250 exhibitors from Poland, Europe and around the world, including such countries as: the USA, Israel, Canada, Lithuania, Great Britain, South Korea, Germany, Holland, Austria, Japan, and China.

More than 150 brand new products were seen at the exposition of SECUREX 2014 as well as at the expositions of SAWO International Fair of Work Protection, Fire-Fighting and Rescue Equipment, INSTALACJE International Trade Fair of Installations and Equipment, TCS System Heating Trade Fair as well as Poznań Media Expo, which happened simultaneously, by 24,200 professionals involving installers, who were dominant, general contractors, biggest investors, representatives of uniformed services, companies dealing in direct security, representatives of the financial sector as well as other institutions.
