2016-04-29 12:47:23

The International Fair of Public Transport - TRANSEXPO 2016.

The International Fair of Public Transport TRANSEXPO exhibitors list includes the industry and market leaders from home and abroad. The companies will put on show the latest developments and innovations.

The expo brings together Volvo Poland, Solaris Bus & Coach, EvoBus Poland, Scania Poland, Sor Poland, Cms Auto, Mercus and many others. TRANSEXPO 2016 follows many-year tradition. The expo is the showcase for short-range public transport vehicles, coaches, special-purpose and utility vehicles, tugs and technical support vehicles.

Expo stands will abound with bus equipment and parts as well as technical facilities fittings and furnishings. Exhibitors will also put on show comprehensive range of products and services for bus services and maintenance. Owing to the fact that the expo is held on alternating years, exhibitors and manufacturers are anxious to present spectacular premières and ground-breaking developments.

The KIEL Poland and EvoBus representatives have already promised surprises galore. Join us in Targi Kielce from 11 to 13 October 2016.
