The 10th edition of AGRO-PARK Agricultural Fair will be held on 4-5 March 2017 in Lublin at Targi Lublin fairgrounds.

**The 10th edition of AGRO-PARK Agricultural Fair**, which is a fixed part of the calendar of events, a meeting place for Polish farmers of south-eastern Poland and the neighbours from behind the eastern border, will be held on 4-5 March 2017 in Lublin at Targi Lublin fairgrounds.

- AGRO-PARK Agricultural Fair is a very important and extremely popular event dedicated to the agricultural industry, allowing to establish business contacts, showcase innovative solutions and expand horizons by participating in professional conferences and workshops. Participation in the fair is also a unique opportunity to meet many outstanding professionals, and seek advice on the latest technologies and solutions used in agriculture, plant cultivation and animal husbandry.

### **Spring in the agricultural sector**

With the arrival of calendar spring, thanks to the companies presenting an offer for 2017, Lublin will become a Mecca for the agriculture, a place that will introduce farmers to the new season, showing the latest trends and technological innovations. The new dates of the fair is a response to suggestions from farmers, manufacturers and importers of agricultural machinery and equipment. - Taking into account the opinions of representatives of the agricultural sector, the time for investing in equipment necessary for the upcoming season and to ensure that AGRO-PARK does not interfere with the start of field work, we decided to hold the fair in spring - explains Łukasz Rachubiński.

### **Modern infrastructure, efficient service**

AGRO-PARK is an event supporting the development and promotion of Polish agriculture. It provides you time for finding new solutions, inspirations and acquiring knowledge during meetings with well-known experts. Participation in the fair offers many new opportunities for entrepreneurs. The strength of the upcoming edition will not only be an extensive exhibition of agricultural machinery and equipment, but also an interesting program of events, which will attract the attention of the agricultural sector. Exhibitors will be able to use modern exhibition infrastructure, comfortable conditions, efficient technical service, and free parking for trucks. The halls will be divided thematically, making it easier for visitors to reach sectors of their interest.

### **For visitors**

The organisers have prepared a number of innovations that will surely satisfy visitors. Fair visitors can count on a wide range of products presented by the exhibitors and exhibition space expanded by more than 3,000 m<sup>2</sup>. A novelty during the next edition of the fair will be the presentation of used agricultural machinery. Professionals participating in the fair will be able to take part in a series of trainings and workshops. Noteworthy is the fact that organised groups can count on co-funding of the cost of travel to Lublin. Visitors will have at their disposal a new car park located by the new municipal stadium, approx. 400 m from Targi Lublin fairgrounds.
