MASZBUD 2017

2017-02-15 10:00:59

International Construction Equipment and Special Vehicles Fair MASZBUD.

The ultra-modern equipment, dynamic shows and, first and foremost - a unique atmosphere. This is a nut-shell presentation of **the International Construction Equipment and Special Vehicles Fair MASZBUD held in Targi Kielce** from 9 to 11 May 2017.

The event will be the showcase for earth-work machines and equipment, concrete production and transportation means and finishing-work appliances. Expo stands will be the showcase for cranes and vertical transport equipment, specialised vehicles for construction industry as well as construction machines parts and components.

The program of the Expo induces a whole array of fringe events. Following many-year example, there will be problem-focussed conferences, seminars and debates organized with the support of the Expo partners - major companies and institutions. The expo agenda includes the Competition for Construction Machines Operators BIG BAU MASTERS.
