WorldFood Warsaw 2017

2017-03-17 15:19:11

WorldFood Warsaw is food and drink exhibition in Poland which includes the specialised sectors: FoodTech, Wine&Spirits and Ingredients Warsaw. This strategic unity allows participants to come together on a wider platform.

WorldFood Warsaw, 4th International Food & Drink Exhibition Expo XXI, 11-13 April, 2017 Warsaw, Poland.

WorldFood Warsaw is the most centrally located food and drink exhibition in Poland. It brings together around 200 local and international producers and brands, providing participants with an invaluable platform to develop their presence in the market.

WorldFood Warsaw provides a platform to connect and conduct business with over 4,000 food industry buyers operating in Eastern Europe. The event brings together the region's distributors, retailers, manufacturers and associations. These representatives are searching for the latest innovative products on the market.

Not only is the event a place to conduct business, WorldFood Warsaw's extensive and informative business programme make it a place for sharing knowledge with some of the industry's most influential food and beverage experts.
