"The Infrastructure Africa Business Forum focuses on sectors such as **Energy; Water; ICT & Telecommunications; Transport and Finance**. With Infrastructure being a sector focus for South Africa as well as countries based on the African Continent, the event attracts a great deal of participation from the above sectors with many key decision makers from South Africa, countries based on the African Continent as well as from abroad attending the event.

Water; Finance; Energy; ICT & Telecommunications and Transport are the main focus areas for Africa's infrastructure. Infrastructure Africa Business Forum is an African event presented by Africans for Africa.

Participation at this event is by way of either participating as delegates, exhibitors or as a sponsorship partners. The Infrastructure Africa Business Forum offers a number of networking platforms whereby participants can meet new key contacts in order to increase their share of market in South Africa and in countries based on the African continent.

Running alongside the Infrastructure Africa Business Forum is our Business Matchmaking Programme whereby you can meet one on one with new contacts; decision makers; procurement personnel; EPC's; Project owners and developers at the event. Your participation as delegates; exhibitors or sponsors allows you free access into this platform.

Our African partner, NEPAD Co-ordinating Agency, who are responsible for the co-ordination of projects in Africa and as such we do have an Africa Country Focus which will see countries from Africa presenting the Infrastructure projects available in their countries. They will be looking for finance; investment; project capital, partners; funders; professional services; new suppliers; solutions; technology and more.

I have attached herewith, for your kind attention, the following documents:-
