Fire Protection & Rescue Exhibition KIELCE IFRE-EXPO 2018. The expo welcomes all visitors from 7 June.

The latest fire engines, unique and highly-specialised vehicles for all-terrain applications, emergency equipment and protective clothes as well as innovative technologies for fire services. This and much more at the International Fire Protection & Rescue Exhibition **KIELCE IFRE-EXPO 2018**. The expo welcomes all visitors from 7 June.

The **IFRE-EXPO** - the showcase for devices, equipment and technologies used by fire and rescue services as well as for fire protection techniques and schemes. The event has been granted the Ministry of Interior and Administration's auspices.

The previous Kielce **IFRE-EXPO** edition proved that Targi Kielce is a unique and a very special presentation platform for the latest gear and equipment as well as technologies designed for fire and rescue services. Last year's exhibition used more than 6.3 thousand square meters as the showcase for nearly 170 exhibitors from Norway, Italy, Germany, Austria, Japan, France, Slovenia, the United Kingdom, the United States and Poland. The expo was a magnet for almost 6,000 visitors. This year's show promises to be even more interesting. Not only will the expo showcase a comprehensive and varied offer, the event will abound with interesting exhibits and fringe-events. The presentation of a unique and unparalleled all-terrain vessel. The vessel is suitable for rescue applications regardless the terrain and location. The vehicle has been manufactured by the company which has only recently entered the European market after a great recognition it has gained in Russia, Canada and the USA. As the Polish SHERP distributor argues, this is a breakthrough in special off-road vehicles sector. The program includes firefighting shows, the latest fire engines display and surprises galore.

The Targi Kielce International Occupational Safety and Fire Protection Systems Exhibition KIELCE WORK SAFETY EXPO is held parallel to the International Fire Protection & Rescue Exhibition **KIELCE IFRE-EXPO**.

The events are held from 7 to 9 June 2018. We look forward to seeing you at Targi Kielce.
