

Subject: Information sharing meeting on the CETA Cheese TRQ on May 25th at 11am

Dear colleagues,

An important aspect of CETA is the additional cheese Tariff Rate Quota. In order to establish the allocation method and other details of the CETA cheese TRQ management system, Global Affairs will soon be launching an online consultation process to gather input from interested stakeholders. To prepare for this consultation process, we would like to invite interested MS and their industry representatives to an information sharing meeting on Wednesday May 25th at 11am at the EU delegation in the main boardroom of the European Delegation at 150 Metcalfe Street, 19th floor.

The purpose of the meeting is to share information on the upcoming consultation process and gather viewpoints from you and your industry on the implementation of the CETA Cheese TRQ.

We are asking you to forward this invitation to your cheese industry representatives that you think would be interested in participating in this meeting.

Please respond to Jesse Leibner at the EU delegation (Jesse.SHUSTER-LEIBNER@eeas.europa.eu) by Friday May 20th, 2016 whether you or one of your colleagues will be attending the meeting.

Best regards

Karen
