**We invite you to take part in the international exhibition of animal husbandry and poultry breeding
«AGRIANIMALS.KZ-2017»**

Dear experts of the agricultural business!

The International Exhibition Company «EXPOARNA» invites you to take part in the first international exhibition of animal husbandry and poultry breeding «AGRIANIMALS.KZ-2017» (www.expoarna.kz) which will take place on June 28-30, 2017 in Astana (Kazakhstan) EC "Korme".

The Kazakhstan International Exhibition of animal husbandry and poultry breeding «AGRIANIMALS.KZ» is the only specialized and separately conducted exhibition of livestock and poultry in Kazakhstan.

Livestock is an important branch of agriculture in Kazakhstan. The development of this sector will promote economic stability in the country. One of the conditions of the qualitative changes in the industry is the use of advanced and proven techniques and technologies, advanced agricultural machinery and equipment employed in the meat and poultry industry, innovative solutions for increasing the number of heads of cattle and poultry, to further enhance productivity and improve the breeding qualities of animals. It is the purpose of the Astana International specialized exhibition of animal husbandry and poultry breeding «AGRIANIMALS.KZ-2017» to serve a realization of these tasks.

The international exhibition company "EXPOARNA" offers to foreign and domestic companies an exhibition platform on this show: for presentation of innovative technologies, equipment for livestock and poultry-farming branches, for discussion of problems of branch and exchange of experience, for conducting intensive agrarian business dialogue.

Undoubtedly, the Kazakhstan international exhibition of animal husbandry and poultry farming of "AGRIANIMALS.KZ" is interesting to farmers, specialists of agrarian and industrial complex. Within the business program will pass various conferences, seminars. It is to be planned to hold a fair of farm products.

We are glad to help development of your business in Kazakhstan!
