对话·引领·共生  
2017中国国际食品博览会  
2017 CHINA INTERNATIONAL FOOD EXPOSITION  
2017.11.16-11.18 上海展览中心

Główna promocja produktów:

奶制品

Dairy products

糖果及休闲食品

Candy & snack foods

豆制品

Soy products

粮油加工品

Processed grain and oil

冷冻食品

Frozen foods

调味品

Condiments

肉制品

Meat

烘烤

Baked

酒类

Liquor

## Clean Water China Expo + Water Chem

Time: Nov 20<sup>th</sup> to 22<sup>nd</sup>, 2017

Location: Shanghai New International Expo Centre (SNIEC)

[www.expo-cn.com](http://www.expo-cn.com)

Clean Water China Expo 2017

2017 (13th) China International Water Treatment Chemicals Fair

20-22 November 2017 Shanghai New International Expo Centre (SNIEC)

Główna promocja produktów:

Water treatment technology and equipment: chemical and physical water treatment, biochemical water treatment, sludge and residue treatment, desalination apparatus, chemical materials, filtration and separation technology, industrial waste water treatment, industrial circulating cooling water treatment, boiler replenishment water treatment, water plant equipment, dosing disinfection equipment, etc.

Water purification equipment: industrial water purification materials and equipment, water purification machine, water softener, cooler, sterilization equipment, filtration

equipment, etc.

Membrane and seawater desalination: membrane and membrane module, manufacturing technology and equipment for membrane and membrane module, raw materials and auxiliary equipment, complete sets of membrane separation equipment, relevant membrane separation technology, material and testing devices.

Automation and information technology: water pump, water meter, valve, pipe and accessories and tools, pipe network maintenance technology and equipment, municipal water supply and drainage system and equipment, inspection and monitoring technology and equipment, instrument and apparatus, automation control, etc.

Water treatment chemicals: urban sewage treatment chemicals, sterilization and disinfection chemicals, cooling water treatment chemicals, etc.

Service and others: water and water treatment engineering units, consulting and design institutions, certification and testing services, etc.

### **Rail+Metro China**

Time: Nov 21<sup>st</sup> to 23<sup>rd</sup>, 2017

Location: Shanghai New International Expo Centre (SNIEC)

[www.railmetrochina.com](http://www.railmetrochina.com)

High level of specialization, highly targeted

Buyers, suppliers and the latest products and technologies are gathering together. Rail+Metro China and Tunnel China have high density of professional visitors, which is the most efficiency approach for companies on the industrial chain to show their most advanced technologies and products.

Główna promocja produktów:

Railbound vehicles for public and freight transport

**Public transport rail cars:** Local and regional public transport rail cars, Long distance public transport rail cars, Urban city rail cars (subways, light rails, monorails), Motor units and motor coaches;

**Freight cars:** Covered wagons, Flat wagons, Loading units, Other standard-type rail cars, Self-discharging wagons, Special-purpose cars, Tank wagons;

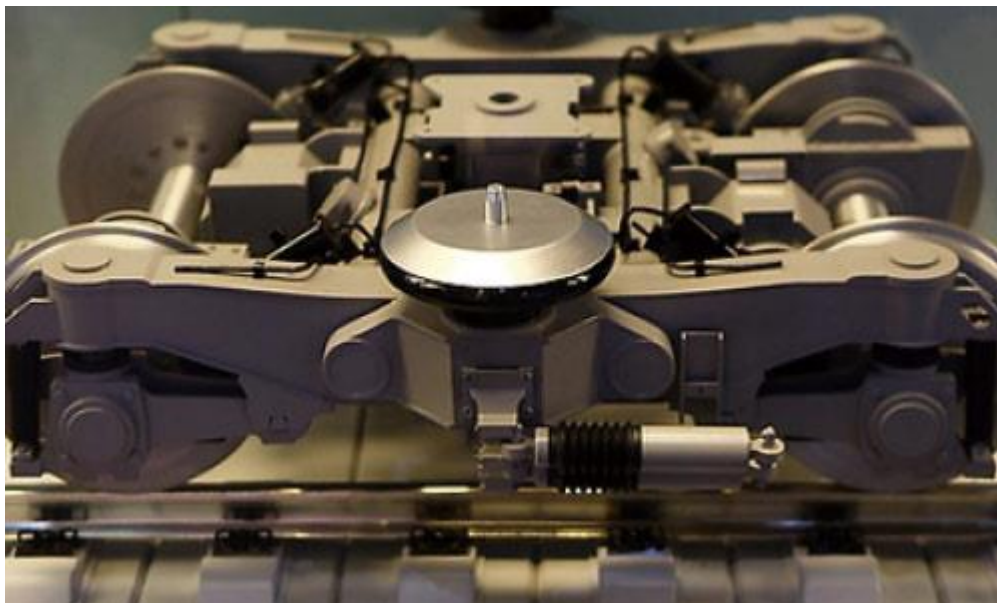

**Locomotives; Magnetic levitation trains; Narrow-gauge railway vehicles;**

**Special-purpose cars; Rack railway-train; Intermodal transport vehicles; Others;**

Subassemblies and components:

Bogies, Traction system, Car bodies, Connection systems, Couplers, Lighting systems. Locking technology and systems, Passenger counting system, Wheel sets, Lubricating system; Composite materials, Insulation materials, Adhesives, Lubricants, Rubber moulded articles, Sealing materials;

Interiors

Driver consoles, Lamps, Toilet systems, Seats and seating systems, Air-conditioning systems, Emergency systems, Door systems and accessories, Flooring systems, Heating systems, Surveillance systems, F&B and accessories, Kitchen equipment;

#### Maintenance and repair

Bogie & Wheel Set Examine and Repair System, Catenary Inspection Vehicle, Rail-Defect Detector Car, Rail Grinding Wagon, Un-Wheeling Repair Platform, Air Conditioning Clean Equipment, Medium/Large Road Maintenance Equipment, Heavy Rail Vehicles, Power Supply Maintenance Equipment, Engineering Vehicle;

#### Energy/Electrotechnology

Automation Technology, Driving systems and electronics, Hydraulic drive system and accessories, Pneumatic devices, Traction motors, Power supply systems, Vehicle control systems, FBMs, Cables and lines, Batteries and chargers, Isolate devices, Safety systems, Transformers, Centenary, Switch cabinets and accessories;

### Signal, Communication & IT Technology

Communication technology, Train control systems, Control system, Crossing systems, Remote control systems, Signaling systems, Earthing systems; Traffic information technology; Data processing systems; E-business; Communication systems, Infrastructure/Facility management systems, Scheduling systems;

### Services

Advertisement systems, Clock systems, Radio systems, Elevators/Lifts, Passenger counting systems, Customer services, Interactive voice response systems, PISs, FASs, Fire extinguishing systems, Monitoring systems, CCTVs, Securities;

### Infrastructure

Civil construction: Underground construction, Civil engineering and construction, Electric power system, Overhead contact line, Welding technique, Tunnel and bridge construction; Planning/Supervising; Maintenance machinery, Equipment and tools; Technical equipment; Building material; Track products; Overhead line devices.
