

OVERVIEW

Creative, flexible workshop tool for trainers, facilitators, and anyone else who needs a visual writing surface for ideas or information. The same function as any classic whiteboard and flipchart, but with much more possibilities. Several formats (**A4, B3, B2**) fitting to different flat surfaces. There is no need to multiply frames for traditional flipcharts.

FEATURES

Available in 9 colours, including white and clear

Different formats

Innovative alternative to standard boards and flipcharts

The mobility of flipcharts allows to gather them in one place and conduct active presentations for all trainees at once

Smooth writing with regular marker or pen

Excellent tool to collect the ideas

Can be moved to another location easily at any time

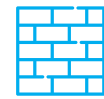

Easy to transport

The back side is like a erasable whiteboard

100% recyclable

Easily adheres to the walls, glass, brick etc. without leaving any residue or damage
