### MANUFACTURER'S DECLARATION

Optima Natura declares that Optima Natura products are cosmetic products and are registered in the European Cosmetic Products Notification Portal (CPNP) database.

They are not classified as dangerous substances.

Pursuant to the Regulation of the European Parliament and of the Council (EC) No. 1223/2009 of November 30, 2009 on cosmetic products, based on the Safety Assessments, Optima Natura cosmetic products, intended, inter alia, for bathing and in appropriate dilution for massage and aromatherapy, have been found to be safe for human health under normal or foreseeable conditions of use.

Only the highest quality ingredients of natural origin have been used in the recipes of the products. Free from genetically modified ingredients. They do not contain substances from the CMR group (carcinogenic, mutagenic, reprotoxic).

The products are manufactured in accordance with the ISO 22716:2009 Standard - Good Manufacturing Practice (GMP).

The products and raw materials used in the recipes have not been tested on animals.
