SOLUTIONS
MANUFACTURER

ABOUT US...

As the "Barbara" company, we have been operating on the market since 1991. We are a company with 100% Polish capital. All the products we offer are manufactured domestically by our enterprise.

"Barbara" brand products are safe for people and the environment. The location of the company, in the wonderful surroundings of the Bory Tucholskie, obliges us to follow ecological standards and care for the environment.

Bearing in mind the satisfaction of our customers, we are constantly expanding the range of our products, which are made of high-quality materials. We achieve this thanks to long-term cooperation with trusted manufacturers while maintaining a favorable price.

As experts, we combine the classic art of bookbinding with the latest technology. Many years of experience in the list with innovative solutions has become proof that our products undoubtedly meet the demanding expectations of our customers. Therefore, they are characterized by a competitive price, practical use, and simple classic design.

The basic range of products is complemented by individual projects. We design and make folders, binders, books, covers, etc. tailored to the individual needs of customers.

We are aware that a good product and price are only part of the success. We attach great importance to honesty, partnership and transparent rules of cooperation, based on mutual respect, trust and a sense of mutual benefit.
